

We are looking forward to your arrival at The Mohicans and for your stay in the **Moonlight Tree House!** There is a lock pad on the front door of the tree house. Just enter the code and turn the handle. We suggest that you bring your personal items in a bag pack vs luggage due to the terrain and the short walk to the tree house from the parking area.

If you have not completed and returned your Waiver, please do so ASAP. If additional adult guests need to sign the Waiver, it can be completed upon check-in and deposited in the green mailbox on Vess Road just south of the driveway entering the property (mailbox #22650). The Mohicans staff will pick up from there.

Most of our guests find it helpful to bring ice, DVD's and camp chairs depending on the season. There is also more detailed information included in our Rental Agreement for hints on what to bring.

Getting to the Moonlight Tree House-22650 Vess Road Glenmont Ohio 44628

We do not recommend using GPS because there is no cell phone service in parts of the area. You can find us on Google Maps under "Mohican Cabins/Grand Barn-Glenmont" to see our physical location. We are located approx ½ mile north and up the hill from Tree Frog Canopy Tours (visit their website too for help with directions) on Vess Road. The Mohicans property is unmarked for privacy but here are some landmarks that should help you find your way. There are 3 different drives on the property. The drive that you will be using to come to the Moonlight Tree House is located on the east side of Vess Road half way up (if coming from the South) a long hill or half way down (if coming from the North) across from our green mailbox. There is a post with the names of the cabins and tree houses at the bottom of the drive near the road. You will also notice as you come up the drive a large standing rock on the right side as well as a green metal field gate. At night, it is very dark and a flashlight may be helpful to find your way. At the top of the drive, turn left and you will see the Moonlight Tree House. On page 2 is a map showing the general cabin configuration on the property with the driveway coming up from Vess Road (Township Road 357/Vess Road). Please park just away from the tree house in the designated parking spot.

At night, it is very dark and a flashlight or headlamp which will be helpful to find your way.

Our site map is also included in your email so please take a look at it for details and so that you can see where all the properties are located.

If you have a Winter/Spring reservation, **please read the information in your Rental Agreement regarding road conditions and suggested vehicles**. The both Vess Road and the drive is steep coming into the property and it is imperative that you are aware.

Please remember-ONLY VERIZON COVERS THE CABINS AND SURROUNDING AREA-IF YOU DO NOT HAVE VERIZON, YOUR CELL PHONE WILL NOT WORK SO MAKE ALL OF YOUR CALLS BEFORE YOU ENTER THE MOHICAN AREA AND MAKE SURE YOU HAVE YOUR DRIVING INSTRUCTIONS WITH YOU AS YOU WILL NOT BE ABLE TO MAKE A CALL IF YOU ARE LOST.

At check-out, place towels on the floor, wash and put away dishes, turn off lights and lock windows and doors, report any damages to The Mohicans, place trash in dumpster located in the corner of the Grand Barn parking lot up the hill from where you parked. Thank you!
