

We are looking forward to your arrival at The Mohicans and for your stay in the **Little Red Brew Haus 2 Guest Tree House!** There is a lock pad on the front door for entry.

If you have not completed and returned your Waiver, please do so ASAP. If additional adult guests need to sign the Waiver, it can be completed upon check-in and deposited in the green mailbox on Vess Road just south of the driveway entering the property (mailbox #22650). The Mohicans staff will pick up from there.

Please plan to bring your personal items in a backpack vs. luggage to make it easier to navigate up the tree house hill. Most of our guests find it helpful to bring ice, dvd's and camp chairs. There is also more detailed information included in our Rental Agreement for hints on what to bring. There is also a fire pit just beyond the tree house for use and a small charcoal grill at the bottom of the stairs case.

Directions to the cabins-22650 Vess Road, Glenmont, Ohio, 44628. We do not recommend using GPS to arrive as there is no cell service in many areas surrounding the property. We are on Google Maps under "Mohican Cabins-Glenmont". We are located approx ½ mile north and up the hill from Tree Frog Canopy Tours (visit their website too for help with directions) on Vess Road. Mohican Cabins property is unmarked for privacy but here are some landmarks that should help you find your way. The drive is located on the east side of Vess Road half way up (if coming from the South) a long hill or half way down (if coming from the North). The driveway to access your cabin/tree house area is one drive south of the drive that runs next to our pond. It is also the closest drive opposite the green "22650" mailbox. You will also notice as you come up the drive a large standing rock on the right side as well as a green metal field gate as well as the 22650 address sign on the left. The **Kokosing** cabin can be seen dead ahead as you get to the top of the cabin drive so follow the drive to the left and then up to the Kokosing Cabin. The **Walhonding** cabin is the large cabin with the patio doors up to the right where the drive ends and the **Killbuck** cabin is the first cabin on the right as you come up the drive. Parking for the **Little Red Brew Haus Tree House**

is the short driveway coming off of the Walhonding drive near the white shed. Please follow the walking path between the two posts up the hill to the tree house. At night, it is very dark and a flashlight may be helpful. On page 2 is a map showing the general cabin/tree house configuration on the property with the driveway coming up from Vess Road (Township Road 357). If you have a Winter/Spring reservation, **please read the information in your Rental Agreement regarding road conditions and suggested vehicles. Both the road and the drive is steep coming into the property and it is imperative that you are aware.**

Please remember-ONLY VERIZON COVERS THE CABINS AND SURROUNDING AREA-IF YOU DO NOT HAVE VERIZON, YOUR CELL PHONE WILL NOT WORK SO MAKE ALL OF YOUR CALLS BEFORE YOU ENTER THE MOHICAN AREA AND MAKE SURE YOU HAVE YOUR DRIVING INSTRUCTIONS WITH YOU AS YOU WILL NOT BE ABLE TO MAKE A CALL IF YOU ARE LOST.

At check-out, place towels on the floor, wash and put away dishes, turn off lights and lock windows and doors, report any damages to The Mohicans, place trash in dumpster located in the Grand Barn parking lot. Thank you!
