

DIRECTIONS

Hello Guests!

Use the directions below for arriving at Mohican Cabins instead of using GPS systems and do not take Big Hill Road-very steep and rutted and often closed. The roads in the area are unpaved, hilly and steep. Winter road conditions frequently necessitate 4-wheel or all-wheel drive vehicles to navigate the roads and drives. Plan accordingly!! Please bring your written directions with you as you may lose service while coming into the area (there are some dead zones!)

Directions to The Mohicans from the North (approx. 85 miles south of Cleveland. Allow extra time! - at least 20 minutes to navigate the back roads).

I-71 South (Columbus) for approx. 60 miles from Cleveland. Exit at State Rt. 250 (Ashland) and **left** off exit ramp onto State Rt. 250 for approx. 1 mile.

Left onto George Rd. (Ohio State Trooper station is on corner) for approx. 3 miles until dead end.

Right at stop sign (it's a dead end) and *then quick (50 yards)* **left** onto State Rt. 60 for approx. 15 miles into Loudonville.

Once in Loudonville city limits State Rt. 60 dead ends at a traffic light. Turn **right** at the traffic light onto State Rt. 3 for approx. 1/4 mile and **quick left** turn at next traffic light still following State Rt. 3-city park with fountain is on corner (If you drive through downtown Loudonville, you've missed the turn).

Follow State Rt. 3 approx. 1 and 1/2 miles or less and turn **left onto Wally Road**. (you will pass Pizza Hut and Dollar Store). Follow Wally Road for approximately 8 miles. It runs adjacent to the Mohican River most of the way. About 1 mile after the entrance of Mohican Wilderness Campground, Vess Road enters on the right. There is an informational sign listing points of interest on the corner, a sign for Tree Frog Canopy Tours and a restored schoolhouse. Turn right onto Vess Road and stay right at the Y. Follow Vess Road for about 1 mile. This is an unpaved very steep and hilly road. **Information regarding which drive to enter for your cabin is included in your guest Arrival Information.**

Directions to The Mohicans from the Southeast

If you are traveling from the southeast to Mohican Cabins, you will be arriving via State Route 514 through the town of Greer to Wally Road north to Vess Road. Please see details below. (Allow extra time!-at least 20 minutes to navigate the back roads).

State Route 514 brings you into the Mohican Valley area from the north or south through the small town of Greer, Ohio. Once in Greer, turn onto Wally Road (Wally Road dead ends into State Route 514) and travel 1.6 miles to Vess Road which enters on your left. There is an informational sign listing points of interest on the corner, a sign for Tree Frog Canopy Tours and a restored schoolhouse. This is where Vess Road intersects Wally Road. Turn left on to Vess Road and follow it up to the **RIGHT** (if you stay left you will be on Big Hill Road which is the wrong way). Continue on Vess Road for approximately .8 miles (it is up hill most of the way). **Information regarding which drive to enter for your cabin is included in your guest Arrival Information.**

Directions to The Mohicans Via State Route 3 from the North or South (approx. 1 hour and 45 minutes south of Cleveland and 1.5 hours north of Columbus. Allow extra time! - at least 20 minutes to navigate the back roads)

State Rt. 3 enters the Loudonville/Mohican area from both the north and the south. Approximately 5 miles south of downtown Loudonville, and 3 miles south of State Rt. 97, County Road 739 enters on the **east side** of State Rt. 3 (it also enters on the west side of State Rt. 3 closer to Loudonville but that is not where you turn). There is a blue and white sign indicating local attraction, Landholl's Castle. There are also signs for Blueberry Hill. This is the turn! County Road 739 will change names after about 1 mile to Jericho Road. Continue on for a total of approximately 3 miles and stay left at all of the forks in the road. L. Gessling Road will enter on the left. Turn left and travel on Gessling Road for approximately 2 miles until it dead ends into Vess Road. Portions are unpaved. (Your GPS may direct you to turn right onto Big Hill Road off of Gessling Road, but do not turn on to Bill Hill Road-it is a narrow, steep and dangerous unpaved road.) Gessling Road will make a complete right turn-just continue on. Turn right onto Vess Road and continue up the hill for approximately ½ mile. **Information regarding which drive to enter for your cabin is included in your guest Arrival Information.**
